Respected Madam,

I am submitting herewith my resume for your consideration for the respective internship in your esteemed organisation.

Currently pursuing **Masters from University of Florida** in computer science.

I am seeking for an internship that would enhance my Machine learning skills and knowledge. Being a dedicated and focused individual, I am determined to add value to the organization I work for, through my knowledge and learning ability during my internship duration.

My basic objective is to hone my skills for the real-world Machine Learning projects. My prime goal is to understand working of google and to experience challenges face by the employees of google in making such a great products.

Being an enthusiastic and competent individual, I am confident of making visible contribution for the completion of the project.

I am excited to join the google as an summer 2020 intern.

Thanking you,

Mohit Garg
